Numbering resource(s)

A list of available numbering resources may be found at https://nummerregister.sdfi.dk.

Intended use/type of service

Effective use

Note the percentage of numbers already in use if the provider has previously been assigned numbering resources (numbers in use out of total amount of numbers assigned).

Please note that:

- 8 digit numbers for fixed and mobile communication may not be used for M2M services outside of Denmark,

- 8 digit numbers for fixed and mobile communication and 12 digit numbers for M2M services must be registered in the OCH (https://och.dk/en.aspx),

- providers of electronic communications networks and services are to register with the Danish National Police (https://politi.dk/drift-af-virksomhed/indberet-udbydervirksomhed)
